Commissioner Betty Whitaker  
Commissioner Shannon Whitley

## Select Baseball

The Town of Rolesville will support our participants to once again be involved in the Triangle Select Baseball League. Select baseball's connection to Rolesville Parks & Recreation is all select players must play recreation baseball in Rolesville as stated in the Triangle Select baseball rules. Each participant must be registered with the Town of Rolesville Parks & Recreation by the last day of Spring baseball registration. If they are not, they will not be allowed to participate on the select team. Being the Triangle Select Baseball program is **only** for a select few and the majority of the participants are not Town residents, it has been difficult to defend the funding of the Select program considering these tough economic times.

Due to limited field space, the Town can only allow a max of five select teams (two boys coach pitch teams, two midget league teams and one little league team). The first, two coach pitch, two midget league and little league teams that successfully register, including payment to Triangle Select League, will be allowed to use field space as assigned by the Town of Rolesville Parks & Recreation Department for practices on Sunday's **ONLY**. All head coaches must notify the Parks & Recreation Department once they sign up in the select league and provide a contact number for the recreation office to provide to parents as they call in requesting Select information.

Each team will have to be responsible for their own uniforms, baseballs, equipment, league fees, payment to the Town for field prep for games, scorekeepers and umpires. Attached is the field rental form. Depending on the league, umpires cost between \$40-\$100 per game.

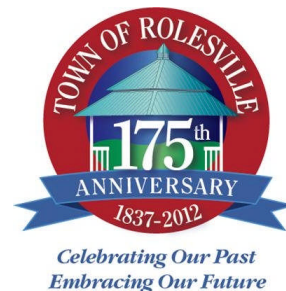

It is strongly suggested that all Select teams advertise and conduct a minimum of two tryouts between January 7<sup>th</sup> and February 26<sup>th</sup>. The head coach must also submit a complete list of participants who try-out to the Recreation Department and their roster by March 1<sup>st</sup>.

All members on a Select roster **MUST** play recreation baseball for the Town of Rolesville. All players who play select baseball **MUST** attend their recreation team practice or game before/over the Select teams practice or game. Being selected to the "select" team does not mean they will be a coach or participant for the Rolesville All-Star team at the end of season. There will still only be ONE All-Star team per age group.

I want to stress that Select and All-Stars is only available to 10%-15% of the total participants in the Spring league. Our main focus is on the entire recreation league for the Town of Rolesville as we have 85%-90% of our participants who do not play select or all-start baseball.

If you have any questions, please contact the Town of Rolesville Parks & Recreation Department at 554-6582.
